Dear Parent / Carer

I am writing to inform you that a pupil from Year 13 has tested positive for Covid 19. Those pupils who have been in close contact with the confirmed case have been notified and advised by school to self-isolate, as a precautionary measure. Letters have been sent to all parents in Year 13 to provide further clarification and advice.

School has worked with the Education Authority Emergency Helpline and the PHA Covid-19 School Support Team, to ensure that all procedures have been completed.

If your daughter was not sent home as a precautionary measure, she should attend school as normal.

I appreciate the concerns of parents/ carers, pupils and the wider community and wish to reassure you that we have been following all Department of Education guidance to promote a safe environment for pupils and staff. We have also followed all PHA Contact Tracing requirements.

Yours faithfully

Mrs L Hanvey
Principal
