Executive Summary

The Anti-Bullying Policy outlines Ashfield Girls' High School's comprehensive approach to addressing and preventing bullying. Developed following statutory guidance and best practices, this policy aims to create a safe and supportive atmosphere conducive to learning and personal growth for all students.

Key components of this policy include a clear definition of bullying behaviour, which encompasses various forms such as physical, verbal, and cyberbullying. It emphasises the school's commitment to promoting positive relationships and fostering mutual respect among students, staff, and the wider community.

The policy outlines procedures for reporting incidents of bullying, ensuring that all concerns are taken seriously and addressed promptly. It outlines the roles and responsibilities of different stakeholders, including students, staff, parents, and governing bodies, in preventing and responding to bullying effectively.

Furthermore, the document highlights the school's proactive measures to raise awareness of bullying issues and educate students about respectful behaviour through the Preventative Curriculum.

The Anti-Bullying Policy underscores Ashfield Girls' High School's dedication to maintaining a safe and inclusive learning environment where every individual feels valued and supported. By fostering a culture of respect and empathy, the school strives to empower students to stand up against bullying and contribute positively to their school community.

Section A (Aims of the Policy)

The aim of this policy is based upon the requirements of The Addressing Bullying in Schools Act (Northern Ireland) 2016.

This:

- Provides a legal definition of bullying.
- Explains the duty of the Board of Governors to put in place measures to prevent bullying behaviour, in consultation with pupils and parents.
- Requires schools to record all incidents of bullying behaviour and alleged bullying incidents.
- Sets out under which circumstances this policy should be applied, namely:
 - In school, during the school day
 - While travelling to and from school
 - When under the control of school staff, but away from school (e.g. school trip)
 - When receiving education organised by school but happening elsewhere (e.g. in another school in the Area Learning Community)
- Requires that the policy be updated at least every four years.

At Ashfield Girls' High School, we believe all forms of bullying behaviour are unacceptable. We believe that all pupils have the right to learn in a safe and supported environment.

The Anti-Bullying Policy applies at all times whilst in school, when travelling to / from school in school uniform and whilst on Educational Visits.

Section C (Policy and Procedures)

At Ashfield Girls' High School, we believe all forms of bullying behaviour are unacceptable. We believe that all pupils have the right to learn in a safe and supported environment.

The Anti-Bullying Policy applies at all times whilst in school, when travelling to / from school in school uniform and whilst on Educational Visits.

As outlined in the Behaviour for Learning and Positive Behaviour Policy, we expect all members of our school community to:

- Be Respectful
- Be Responsible
- Be Ready

Ashfield Girls' High School consider bullying to be ***behaviour that is usually repeated, which is carried out intentionally to cause hurt, harm or to adversely affect the rights and needs of another or others.***

Bullying: Definition

Ashfield Girls' High School consider bullying to be:

Bullying is behaviour that is usually repeated, which is carried out intentionally to cause hurt, harm or to adversely affect the rights and needs of another or others.

Addressing Bullying in Schools Definition of "bullying":

1.—(1) In this Act "bullying" includes (but is not limited to) the repeated use of—

- (a) any verbal, written or electronic communication,
- (b) any other act, or
- (c) any combination of those, by a pupil or a group of pupils against another pupil or group of pupils, with the intention of causing physical or emotional harm to that pupil or group of pupils.

(2) For the purposes of subsection (1), "act" includes omission.

While bullying is usually repeated behaviour, there may be instances of one-off incidents that the school will consider as bullying.

When assessing a one-off incident, to make a decision on whether to classify it as bullying, the school shall consider the following criteria:

- *severity and significance of the incident*
- *evidence of pre-meditation*
- *impact of the incident on individuals (physical/emotional)*
- *impact of the incidents on wider school community*
- *previous relationships between those involved*
- *any previous incidents involving the individuals*

Any incidents which are not considered bullying behaviour will be addressed under the Positive Behaviour Policy.

The following unacceptable behaviours, when repeated, targeted and intentionally hurtful, may be considered as bullying behaviour:

<i>Verbal or written acts</i>	<i>Physical acts</i>	<i>Omission (Exclusion)</i>	<i>Electronic Acts</i>
Saying mean and hurtful things to, or about, others	<i>Physical harm as intentionally hurting a pupil by causing injuries such as bruises, broken bones, burns or cuts.</i> Hitting Kicking Pushing Shoving Material harm, such as taking/stealing money or possessions or causing damage to possessions	Leaving someone out of a game	Using online platforms or other electronic communication to carry out many of the written acts noted above
Making fun of others		Refusing to include someone in group work	
Calling another pupil mean and hurtful names			Impersonating someone online to cause hurt
Telling lies or spread false rumours about others			Sharing images (e.g. photographs or videos) online to embarrass someone
Trying to make other pupils dislike another pupil/s			

Emotional or psychological harm as intentionally causing distress or anxiety by scaring, humiliating or affecting adversely a pupil's self-esteem.

This list is not exhaustive and that other behaviours which fit with the definition may be considered bullying behaviour.

Anti-Bullying Policy

There may be various motivations behind bullying, including those named in the Act. These include, but are not limited to:

Age	Appearance	Breakdown in peer relationships	Community background	Political affiliation
Gender identity	Sexual orientation	Pregnancy	Marital status	Race
Religion	Disability / Special Educational Needs	Ability	Looked After Child status	Young Carer status

Bullying behaviour is an emotive issue; therefore, we must ensure we use supportive, understanding language when discussing these matters. For that reason, we will not refer to a child as ‘a bully’, nor will we refer to a child as ‘a victim’.

Instead, we will refer to the child describing the situation surrounding that child, for example:

- A child displaying bullying behaviours
- A child experiencing bullying behaviours

We encourage all members of the school community to use this language when discussing bullying incidents.

Preventative Measures

At Ashfield Girls' High School, we aim to create a safe learning environment, and prevent and challenge bullying behaviour.

Examples of these preventative steps include:

Raising awareness and understanding of the positive behaviour expectations, as set out in the Positive Behaviour Policy	Promotion of anti-bullying messages through the curriculum e.g. inclusion of age-appropriate material specific to individual subject areas related to bullying, positive behaviour and inclusion	Addressing issues such as the various forms of bullying, including the how and why it can happen, through Learning for Life and Work curriculum (e.g. sectarian, racist, homophobic, transphobic, disablist, etc.)	Involvement in meaningful and supportive shared education projects, supporting pupils to explore, understand and respond to difference and diversity.
Through the preventative curriculum actively promote positive emotional health and wellbeing (e.g. resilience building)	Participation in the NI Anti-Bullying Forum annual Anti-Bullying Week activities	Engagement in key national and regional campaigns, e.g. Safer Internet Day, Good Relations Week, etc.	Development of peer-led systems (e.g. Student Council) to support the delivery and promotion of key anti-bullying messaging within the school
Development of effective strategies for supervision, e.g. training for lunchtime supervisors, split lunches, inclusion of specific resources (The Sanctuary) and provision of lunch clubs to meet the needs of all pupils.	Focused assemblies to raise awareness and promote understanding of key issues related to bullying.	Development of effective strategies for the management of unstructured times (e.g. break time, lunch)	Provision and promotion of extra-curricular activities, aimed at supporting the development of effective peer support relationships and networks. For example sporting activity, creative arts, leisure and games, etc.

While many of the measures outlined above will support the development of an anti-bullying culture, there are several ways school can further build upon this specifically on the journey to and from school.

This includes:

Development of a culture where pupils take pride in their school and are viewed as ambassadors for their school within the community. This includes regular reminders of the positive behaviour expectations of pupils whilst travelling to and from school.

Measures to empower pupils to challenge inappropriate and unacceptable behaviour of their peers during the journey to and from school. This may include the implementation of peer monitoring systems on buses, trains and ferries, and for those walking.

Regular engagement with transport providers (e.g. Translink, Belfast Bus Company, EA Transport, etc.) to ensure effective communication and the early identification of any concerns.

Promotion of key anti-bullying messages and awareness of behaviour expectations of pupils amongst the local community (e.g. local shops, cafes, service providers, residents, etc), including information on how to raise any concerns with the school.

Appropriate deployment of staff to support the transition from school day to journey home (e.g. staff duty at school gate/bus stops, where appropriate)

The legislation also gives schools the authority to take steps to prevent bullying through the use of electronic communication amongst pupils at any time during term, where that behaviour is likely to have a detrimental effect on the pupil's education at school.

Bullying Behaviour Online

Ashfield Girls' High School will raise awareness of the nature and impact of online bullying and support their pupils to make use of the internet in a safe, responsible and respectful way.

This may include:

Addressing key themes of online behaviour and risk through the Learning for Life and Work and Information Communication Technology Curriculums, including understanding how to respond to harm and the consequences of inappropriate use.

Participation in Anti-Bullying Week activities.

Engagement with key statutory and voluntary sector agencies (e.g. C2k, PSNI, Public Health Agency, Safeguarding Board for NI e-Safety Forum) to support the promotion of key messages.

Participation in annual Safer Internet Day and promotion of key messages throughout the year.

Development and implementation of robust and appropriate policies in related areas (e.g. Acceptable Use of the Internet Policy, Mobile Devices etc.)

Responsibility

Everyone has the responsibility for creating a safe and supportive learning environment for all members of the school community.

Everyone in the school community, including pupils, their parents/carers and the staff of the school are expected to respect the rights of others to be safe.

Everyone has the responsibility to work together to:

- foster positive self-esteem.
- behave towards others in a mutually respectful way.
- model high standards of personal pro-social behaviour
- be alert to signs of distress and other possible indications of bullying behaviour.
- inform the school of any concerns relating to bullying behaviour.
- refrain from becoming involved in any kind of bullying behaviour, even at the risk of incurring temporary unpopularity.
- refrain from retaliating to any form of bullying behaviour.
- intervene to support any person who is being bullied, unless it is unsafe to do so.
- report any concerns or instances of bullying behaviour witnessed or suspected, to a member of staff.
- emphasise the importance of seeking help from a trusted adult about bullying behaviour when it happens or is observed.
- explain the implications of allowing the bullying behaviour to continue unchecked, for themselves and/or others.
- listen sensitively to anyone who has been bullied, take what is said seriously, and provide reassurance that appropriate action will be taken.
- know how to seek support – internal and external.
- resolve difficulties in restorative ways to prevent recurring bullying behaviour and meet the needs of all parties.

Reporting a Bullying Concern

This section outlines the various ways in which pupils, parents and anyone else with concerns can make these known to the school.

While the majority of reports of bullying concerns will come from pupils and their parents/carers, we are open to receiving such reports from anyone.

All reports of bullying concerns received from pupils and/or parents/carers will be responded to in line with this policy and that feedback will be made to the person who made the report.

However, it must be noted that no information about action taken in relation to a pupil can be disclosed to anyone other than the pupil and her parents/carers.

Reporting a Concern: Pupils

Whilst there are key pastoral staff in school with responsibility for addressing bullying behaviour, we encourage pupils to raise concerns with any member of staff, including teaching and non-teaching staff.

Pupils may wish to raise concerns by:

Here are some of the ways that pupils can report bullying concerns, including:

- Verbally – talking to a member of staff
- By writing a note to a member of staff
- By sending an email/online contact form to a member of staff

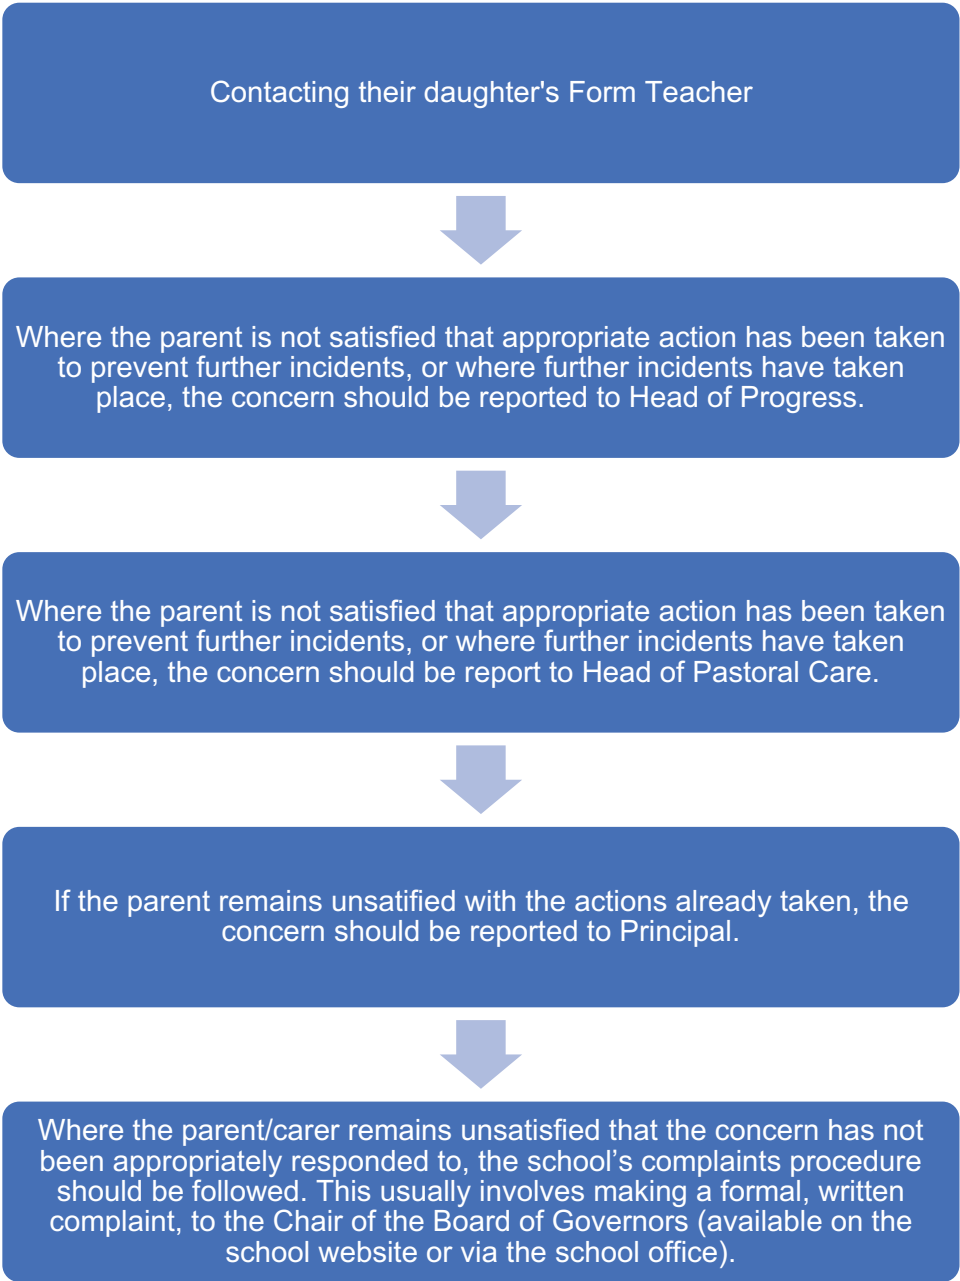

ANY pupil can raise a concern about bullying behaviour, not just the pupil who is experiencing this behaviour. We encourage all members of our school community to 'get help' if they have a concern about bullying that they experience or is experienced by another.

Reporting a Concern: Parents / Carers

Parents and carers should raise concerns about alleged bullying behaviour with the school at the earliest opportunity. We encourage parents/carers of the need to encourage their child to react appropriately to bullying behaviour and to not do anything to retaliate or to ‘hit back’.

Parents can raise a concern about alleged bullying behaviour by:

The Northern Ireland Anti-Bullying Forum (NIABF) have created a parent toolkit, which is a helpful resource for parents. It can be found here:

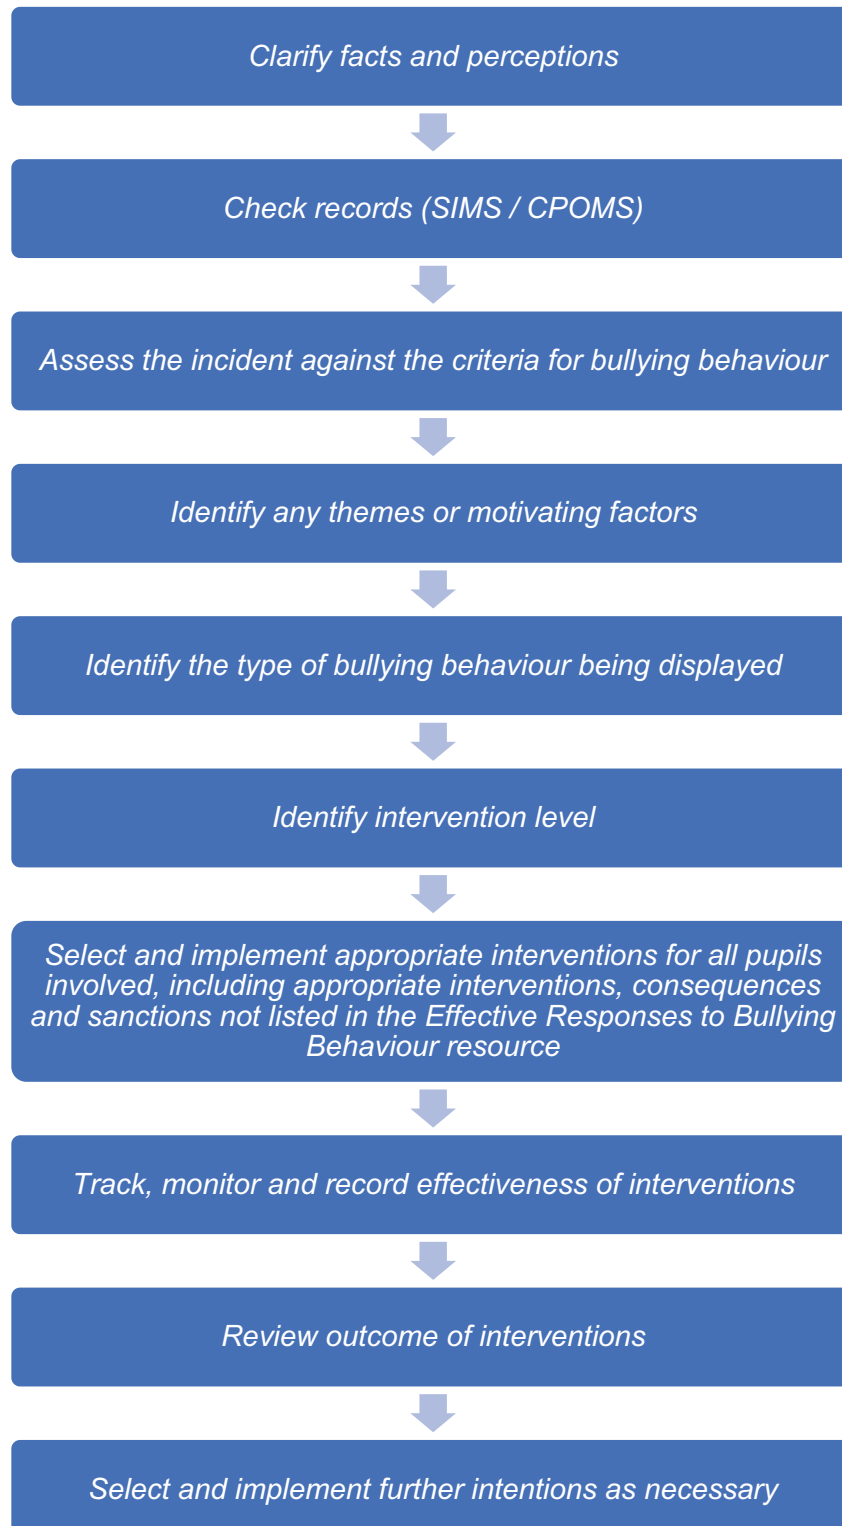

<https://www.education-ni.gov.uk/sites/default/files/publications/education/NIABF-Parent-Carer-Toolkit.pdf>

Responding to a Bullying Concern

The processes outlined below provide a framework for how the school will respond to any bullying concerns identified.

Using the NI Anti-Bullying Forum's (NIABF) 'Effective Responses to Bullying Behaviour resource', the member of staff responsible shall:

Interventions and Sanctions

When responding to a bullying concern, school staff shall implement interventions aimed at responding to the behaviour, resolving the concern, and restoring the wellbeing of those involved. Where appropriate, school staff may implement sanctions for those displaying bullying behaviour, following those outlined in the Behaviour for Learning and Positive Behaviour Policy.

Any action taken / sanction given regarding a pupil cannot be disclosed to anyone other than that pupil and her parents/carers.

Recording

The school will centrally record all relevant information related to reports of bullying concerns, including:

- how the bullying behaviour was displayed (the method)
- the motivation for the behaviour
- how each incident was addressed by the school
- the outcome of the interventions employed

Records will be kept on online which is part of the C2K system in schools. Access to these records will be restricted and only provided to those members of school staff with a legitimate need to have access.

All records will be maintained in line with relevant data protection legislation (GDPR) and guidance and will be disposed of in line with the school's Retention and Disposal of Documents Policy. Collated information regarding incidents of bullying and alleged bullying behaviour will be used to inform the future development of Anti-Bullying Policy and practice within the school.

Professional Development of Staff

Ashfield Girls' High School recognise the need for appropriate and adequate training for staff, including teaching and non-teaching school staff.

This includes:

- ensuring that staff are provided with appropriate opportunities for professional development as part of the school's ongoing CPD/PRSD provisions
- noting the impact of the training given on both the policy and its procedures - e.g. any amendments made, inclusions added etc.
- ensuring that opportunities for safeguarding training are afforded to Governors and all staff – teaching and non-teaching
